Katrin Riech-Neumann & Johanna Taraszewski

joka HR Services GmbH

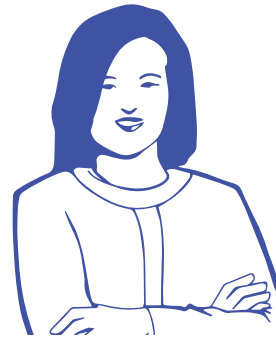

### **KATRIN RIECH-NEUMANN**

has many years of experience with national and international HR leadership positions. She manages projects in Germany and abroad, in particular transformation and M&A projects. Negotiations with stakeholders, the development of processes and structures and a deep expertise in HR management are part of her core competencies.

“We handle HR management processes in a pragmatic, competent and result-driven way, with a strong hands-on mentality and always act as a team player. We have a sense for solutions in difficult situations and we demonstrate strong leadership skills.”

### **JOHANNA TARASZEWSKI**

has been handling strategic and operative international personnel management for many years. She supports internationally operating companies as well as small and medium-sized businesses in planning and implementing projects, and also acts as HR Business Partner. She is focused on transforming and optimizing HR structures and processes, restructuring, recruiting and employer branding.

“High quality, efficient HR work always starts with a deep understanding of the client's specific needs. We develop policy recommendations that meet the client's targets and can be implemented with measurable success.”

Please don't hesitate to contact joka HR Services GmbH regarding your global projects.  
We are looking forward to hearing from you.
